

# SHOWDOWN ALFALFA

## THE CROP

Showdown is a variety displaying outstanding yield potential. Ideal for growers looking to maximize tonnage and quality. This makes it an excellent choice for high quality haylage as well as being the main component of an alfalfa/grass mixture.

## FEATURES

- High level multifoliate leaf expression
- Outstanding yield potential
- Excellent regrowth
- Fall dormancy rating: 4.5
- Winter hardiness index: 2.0

## AGRONOMIC TRAITS

Anthracnose	HR	Fusarium Wilt	HR
Aphanomyces Race 1	HR	Phytophthora	HR
Bacterial Wilt	HR	Verticillium Wilt	HR
